## Features and Benefits:

- Optional LED or Halogen headlights.
- Externally mounted pump simplifies installation, comes off the truck with the plow.
- Robot welded blade and frame assure uniform quality.
- 30" tall, high curve blade rolls snow off quickly.
- Entire moldboard trips with soft-return compression springs.
- Heavy-duty box section plow frame resists twisting & bending.
- Hydraulic scissors lift cuts transport bounce, eliminates chains.

Take a professional approach to snow removal! Hiniker 2000 Series full-trip snowplows use box section frames and heavily reinforced moldboards for strength and durability. 30 inch tall high-curve moldboards move heavy snow quickly. Our hydraulic scissors lift reduces transport bounce and bang. Convenient compact joystick controls can be mounted anywhere or held in the palm of your hand. And the Hiniker Quick-Hitch mounting system is one system that truly lives up to its name. Count on Hiniker's proven performance—the professionals choice!

**Optional Accessories:**

- Skid Shoes
- Curb Guards
- Wear Bars
- Snow Deflectors
